General notice and mandatory information

Designation of the responsible body

The data controller for this website is:

Intercadiz
Calle Octavio Paz 2
11500 El Puerto de Santa Maria,

The controller determines, alone or jointly with others, the purposes and means of the processing of personal data (e.g. names, contact details or similar).

Withdrawal of your consent to data processing

Some data processing operations are only possible with your express consent. You can revoke your consent at any time. An informal communication by e-mail is sufficient for the revocation. The legality of the data processing carried out until the revocation remains unaffected by the revocation.

Right to complain to the competent supervisory authority

As a data subject, you have the right to complain to the competent supervisory authority in the event of a data protection violation. The competent supervisory authority with regard to data protection issues is the State Data Protection Commissioner of the federal state in which our company's registered office is located. The following link provides a list of data protection officers and their contact details: https://www.bfdi.bund.de/DE/Infothek/Anschriften_Links/anschriften_links-node.html.

Right to data portability

You have the right to have data that we process automatically on the basis of your consent or in fulfilment of a contract handed over to you or to third parties. The data will be provided in a machine-readable format. If you request the direct transfer of the data to another responsible party, this will only be done insofar as it is technically feasible.

Right to information, correction, blocking, deletion

Within the framework of the applicable legal provisions, you have the right at any time to free information about your stored personal data, the origin of the data, their recipients and the purpose of the data processing and, if applicable, a right to correction, blocking or deletion of this data. In this regard and also for further questions on the subject of personal data, you can contact us at any time via the contact options listed in the imprint.

SSL or TLS encryption

For security reasons and to protect the transmission of confidential content that you send to us as the site operator, our website uses SSL or TLS encryption. This means that data you transmit via this website cannot be read by third parties. You can recognise an encrypted connection by the "https://" address line of your browser and the lock symbol in the browser line.

Contact form

Data transmitted via the contact form, including your contact details, are stored in order to process your enquiry or to be available for follow-up questions. This data will not be passed on without your consent.

The data entered in the contact form is processed exclusively on the basis of your consent (Art. 6 para. 1 lit. a DSGVO). You may revoke your consent at any time. An informal communication by e-mail is sufficient for the revocation. The legality of the data processing operations carried out until the revocation remains unaffected by the revocation.

Data transmitted via the contact form will remain with us until you request us to delete it, revoke your consent to store it or there is no longer any need to store the data. Mandatory legal provisions - in particular retention periods - remain unaffected.

YouTube

Our website uses YouTube plugins for the integration and display of video content. The provider of the video portal is YouTube, LLC, 901 Cherry Ave, San Bruno, CA 94066, USA.

When a page with an integrated YouTube plugin is called up, a connection to the YouTube servers is established. This tells YouTube which of our pages you have accessed.

YouTube can assign your surfing behaviour directly to your personal profile if you are logged into your YouTube account. You can prevent this by logging out first.

YouTube is used in the interest of an appealing presentation of our online offers. This represents a legitimate interest within the meaning of Art. 6 para. 1 lit. f DSGVO.

Details on the handling of user data can be found in YouTube's privacy policy at: <https://www.google.de/intl/de/policies/privacy>.
